

Living the Life of Jesus Through our worship

"For Lay Preachers and Worship Leaders preparing for Sunday is a both a privilege and opportunity to help people deepen their faith and understanding as well as freedom to question and grapple with scripture.

Our 2018 theme of "Living the Life of Jesus through our Worship" will allow us the opportunity to think about how basing our lives in Jesus teaching shapes and informs the way we lead worship. The conference will include reflecting on both Old and New Testament passages as well as giving time to think about worship as a significant way of deepening discipleship. College staff will be leading our sessions as we explore the theme together

Alongside of the programme you will have time to enjoy each other's company, good food, bookstall, the facilities and resources of Westminster College and the beauty of Cambridge.

We look forward to welcoming you"
