Child Sponsorship Scheme

KSN Hospital was established in 1914 by Dr. Caleb Davis, a Welsh Methodist missionary doctor. The hospital is a not-for-profit organisation providing essential healthcare to the local community of farmers and tribal communities living amongst the surrounding teak forests. Financial resources are limited and KSN is committed to providing affordable healthcare. **Friends of KSN Hospital** is a UK based charity set up to support the hospital's life-transforming work, with the long-term aim of improving facilities so the hospital becomes independently financially sustainable.
